

Application Questions for the Mentee

The following long answer questions are on the online application. It is advantageous to prepare your answers in advance and save for future reference. (Refer to the “Tips for Applying” document.)

1. Description of Mentorship Proposal

Provide a one paragraph description of your mentorship proposal, which summarizes your creative focus and career objectives over the 7 month period. What do you hope to achieve? Is there a specific project you will be working on with your mentor?

2. Education/Training

Please summarize your previous education/training in the chosen discipline. (You attached resume will be reviewed for details.)

3. Career Perspective

How long have you been involved in your area of interest? Explain why you feel this is an optimum time in your career/training trajectory to participate in a mentorship program.
